Dear Phil:

Herewith 3 copies of our new Monitoring Coverage Schedule. We plan to make all our reports in the middle of the month rather than at the beginning or end. This will include the coverage schedule. Does this meet with your approval?

Sincerely,

COVERAGE SCHEDULE

September 15, 1948

In the language groups given below, Section A is composed of those programs which are regularly monitored in Cairo and for which there is sufficient personnel to provide translations. Section B is composed of those programs which may not be translated because reception is generally poor or because of lack of translators.

"B" after the time of broadcast indicates that the program is also monitored by BBC. "BX" indicates that it is irregularly monitored by BBC.
